WELCOME TO THE YORKSHIRE MOTORHOME & CAMPERVAN SHOW

WE'RE THRILLED to be back in beautiful Yorkshire to kick our show season off, our twelfth year at this prestigious venue.

We always aim for this event to showcase all there is to offer within the vibrant and exciting market that is outdoor leisure, whether you are new to this lifestyle or an experienced camper.

With new and used models on sale and a wealth of knowledge from both dealers and guest speakers, make sure you take advantage of this and ask those all-important questions which will help you in your decision making.

Our accessory retailers have a huge range of items to enhance your trips and adventures, and whilst you may have a shopping list, you may also find yourself going home with those gadgets you didn't even know you needed!

We are delighted to be offering free talks, see pages 6-7 for the timetable. We have chosen knowledgeable guest speakers to advise on getting started, and provide inspiration for future travels.

Out and About Live, the home of MMM, Campervan, What

Motorhome and Warners Shows are bringing you the free manoeuvring courses this year, along with SwiftGo. Head to the Out and About Live stand in the foyer of Hall 1 when you arrive to book a 20 minute slot.

If you buy your dream vehicle today or are lucky enough to already own it, we invite you to come along to one of our superb getaway weekends. We've listed details on pages 10-11. Go online to www.warners-shows.co.uk to book your pitch and take time to browse the website and all it has to offer.

I urge you to sign up to our newsletter, that way we can keep you updated with all show information, messages and special offers.

I hope you have a superb day out and we see you again later in the season.

GUEST SPEAKERS

Have you just bought a van? Perhaps, you're still working out which type is best for you? Whether you're thirsty for knowledge, or seeking some fresh ideas on where to go this summer, make sure you visit the Advice Centre (located just off the foyer in Hall 1) during your time at the show today.

Our FREE talks are presented by various industry experts, YouTubers, bloggers and podcasters...
Let us introduce you to...

PETER VAUGHAN & IAIN DUFF

Two of the industry's most knowledgeable figures, Peter & Iain will discuss all the major points you need to consider when buying a vehicle, new

or used. Whether you are a first timer or experienced motorhomer looking to make a big change, this seminar is packed full of information and help with choosing the right model for you. Peter Vaughan brings his experience as the Editor of What Motorhome and Road Test Editor of MMM, while Iain Duff adds his perspective as the Editor of Campervan Magazine.

THE URBAN MOTORHOME

Originally from Essex, Darran, aged 36, has been living full time in his Motorhome since April 2017. He very rarely stays on campsites, and as his youtube name suggests, he parks urban 99% of the time – streets, industrial estates, car parks etc. His 1.30pm session will

provide practical information on full-timing in a motorhome, covering common questions such as insurance queries, registered addresses, wi-fi and showering!

MOTORHOME MATT

You may be familiar with Matt from his popular podcast, but if you're considering a motorhome trip to the continent anytime soon this a must listen! Speaking from his own experience, Matt clarifies what has changed since Brexit, what you need to pack, what you need to know before you head off and when you come back - covering paperwork, kit, campsites and aires.

LIFE BEYOND BRICKS

Tash & Jon, otherwise known as Life Beyond Bricks have been Motor-homing since 2014. At the end of March 2019 they sold their house and hit the road full-time with 3 cats. If you're not sure what items are essential for a smooth motorhoming experience, Jon will team up with Darran (The Urban Motorhome) to go through the best gadgets and accessories for vanlife and travel. Thanks to their many combined years of full-time motorhome living, they know what is useful in a van and what you can do without, Through his years on the road and his day job as a van mechanic, Jon has also become the man you need for all van maintenance questions.
