WELCOME TO

THE YORKSHIRE MOTORHOME & CAMPERVAN SHOW

We're happy to be back in glorious Harrogate with our highly anticipated first show of the season!

Whether you're visiting us today as a newbie or an experienced camper, I hope you enjoy the huge selection of vehicles, accessories and advice on offer.

We have over 40 dealers from across the country in attendance this weekend, bringing you the best there is in terms of new and used models for sale in the marketplace. Make the most of the dealer's knowledge and if they don't have what you are looking for on display today, my advice would be to speak to them and register your interest. If on the other hand they do have your dream vehicle, don't delay, snap it up!

As the summer season approaches, our accessory stalls are stocked with every conceivable product to enhance your hobby and would welcome your support.

I'm thrilled to be offering our free seminars in the advice centre again this year, take a look at the schedule on **page 10-11**. These are all planned to assist you in topics we know you will be looking to learn more about.

The Caravan and Motorhome Club continue to support the manoeuvring area at the show, where you can brush up on your driving skills. See **page 10** for more details.

Whether you find your perfect vehicle today or you're lucky enough to already own it, you can camp with us at one of our superb rallies throughout the year, you can see what we have lined up below, and more about our new event on **page 12**.

We are looking forward to a busy season, our pop up campsites provide excellent value for money, including live entertainment across the weekend, a shopping area and much more.

Go online at www.outandaboutlive.co.uk/shows to look at what each show has to offer and book your pitch.

Don't forget to register for our e-newsletter where we can keep you updated with all our show information, messages and offers.

Have a lovely day.

GUEST SPEAKERS

Have you just bought a van? Perhaps, you're still working out which type is best for you? Whether you're thirsty for knowledge, or seeking some fresh ideas on where to go this summer, make sure you visit the Advice Centre during your time at the show today.

Our **FREE** talks are presented by various industry experts, YouTubers, bloggers and podcasters... Let us introduce you...

PETER VAUGHAN

Editor of What Motorhome & Road Test Editor of MMM (therefore all-round motorhome guru!) Peter, talks about all the major aspects of buying a motorhome, from layouts to the vehicles they are based on as well as much more. Whether you are a first timer or experienced motorhomer looking to make a big change, this seminar is packed full of information and help with choosing the right model for you.

MOTORHOME MATT

Are you considering a motorhome trip to the continent? Matt unpacks the myths and mysteries of travelling in Europe, with a suitcase full of advice. Speaking from his own experience, Matt clarifies what has changed since Brexit, what you need to pack, what you need to know before you head off and when you come back - covering paperwork, kit, campsites and aires.

Mobile connectivity - it's expected, needed and accepted as the norm. Whether you're working on the go or just trying to share your holiday snaps with family, getting a good internet connection can be tricky on the move. So, how can you ensure it? Matt is here to unpack how you can stay connected with the latest technology, differences between data types, sim cards and how much data you need. Without any unnecessary complicated terminology, Matt explains the ins and outs of the installation and dispels the misconceptions of this hot topic.

THE URBAN MOTORHOME

Darran, aged 33, originally from Essex, has been living full time in his Motorhome since April 2017. He will join Tash from Life Beyond Bricks to discuss the realities of living in a motorhome or campervan full-time. Between them, they have many years of full-time and real-world experience of off-grid parking, UK and mainland Europe travel, travel with pets, urban park ups and both solo and couples travel. Expect helpful, practical information on full-timing in a motorhome, covering the most common questions they get asked including insurance queries, registered addresses, wi-fi and showering!

LIFE BEYOND BRICKS

Tash & Jon, otherwise known as Life Beyond Bricks have been Motor-homing since 2014. At the end of March 2019 they sold their house and hit the road full-time with 3 cats. If you're not sure what items are essential for a smooth motorhoming experience, Jon will team up with Darran (The Urban Motorhome) to go through the best gadgets and accessories for vanlife and travel. Thanks to their many combined years of full-time motorhome living, they know what is useful in a van and what you can do without, helping you save money and payload! This knowledge comes with years of trial and error experience living on the road in a small space.

SIOBHAN DANIELS

Siobhan talks about her dramatic decision to leave her former life behind her at 60, getting rid of her home and possessions and heading off in a motorhome around Great Britain and Ireland. She talks about the rollercoaster ride she has been on in the last three and a half years. One woman, one motorhome, one Great Big Adventure.
