# WELCOME

## WELCOME TO THE SOUTH WEST MOTORHOME & CAMPERVAN SHOW...

...Thank you for joining us here in glorious Somerset! Our Shepton Mallet event marks the start of our Autumn season.

Shows have certainly been popular this year, I have been happy to see both regular faces once again and new ones, embracing the staycation in this beautiful country of ours and what a summer we have had.

So many people realising the freedom and ease of owning a motorhome combined with manufacturers still facing post pandemic/brexit supply issues has led to vehicles for sale still being very much sought after. Dealers are still struggling to get back to pre-pandemic stock levels. We have worked hard, together with the dealers, who I thank for their support, to deliver a fair representation of stock out there, bought together in one place for you to view. My advice would be do not delay the purchase, if you see the 'van of your dreams buy it today!

Please support the accessory and lifestyle traders when browsing through the stalls, enabling them to continue attending the shows with their wonderful products, to enhance your hobby. At the same time don't forget to take time to relax in the food court and on-site restaurant and bar. After all you are on holiday!

In addition to the trade area, we have lots going on this weekend... By popular demand I will be hosting a free bingo session upstairs in the Wessex Building above the restaurant at 2.30pm on Friday afternoon. Come along for a bit of fun. We have some superb guest speakers lined up in the advice centre, as well as free manoeuvring courses thanks to the Caravan and Motorhome Club, have a look at **page 6-7** for more details on both.

For those of you lucky enough to be staying on site the full line up of evening entertainment is shown on **pages 4-5**. Plus, new for Shepton 2022, is our on-site gin masterclass! If you'd like to learn more about your favourite tippie, why not head along on Friday evening. If you didn't book a space in advance, head over to the Gin Jamboree stand (81), I'm sure Andrew and his team will happily squeeze you in. We also have more details on **page 27**.

Fancy a look at Shepton Mallet? The shuttle bus will be running on Saturday at a cost of £4 return per adult. Tickets can be bought from the information office with contactless payment please. We do have a shop on site for essentials, see the site plan on **page 30** for location.

We still have two events to come after this weekend, **The Motorhome & Campervan Show Season Finale at Lincolnshire Showground, Lincoln, 23 – 25 September** and our Autumn break event at the **Three Counties Showground, Malvern, 30 September – 2 October**. We'd love to see you there.

Refer to our website [www.showgoer.co.uk](http://www.showgoer.co.uk) for all shows information and remember to register for our e-newsletter so we can let you know what is going on and in particular when we launch 2023 shows later this year.

Thank you to all the services, marshals and staff on site who work extremely hard to ensure the show is a safe place for you to enjoy your weekend.

Have a look through the show guide, it has all the information for your weekend, including emergency phone numbers and site plan. If you can't find something or have any questions head for the information office where we will be happy to help you.

I hope you have a wonderful weekend. Very best wishes,

*Sally Dodds*

## What's on in the Advice Centre?

We have two fantastic guest speakers visiting the show this year, both of whom you will find in The Advice Centre, which is located in the Theatre at the back of the information office. Whether you're on a fact-finding mission or want to enjoy some of the travel seminars, we want you to leave feeling inspired! There is no need to book, all talks are free.

## Who are the Speakers? Meet this weekends special guests

**Lola Culsan & John Weller**

Lola is a half Spanish former stand-up comic who teaches, writes, dance and swims, meanwhile John is a wild swimmer, photographer and travel writer, and together they've uncovered many hidden beaches, lakes and rivers having explored Spain's entire 5000km coastline!

**Wandering Bird**

4 years ago, Kathryn Bird quit her job as an air traffic controller to tour Europe in a motorhome. Along with her (slightly bewildered) husband and Mac their cocker spaniel, they've spent most of that time on the road (give or take 2020.) She is passionate about encouraging others to have their own adventures, whether it's a 3-month tour or a quick weekend trip down the road.
