**Welcome to the South West Motorhome & Campervan Show**

Buying a motorhome or campervan is a huge decision, regardless of whether it's the first one you've ever bought or you've purchased several over the years. If it's what you're here for today, you've come to the right place. We have a huge

line-up of guest speakers presenting various topics designed to help you and inspire (p4-5), as well as dealers from across the country with both years of experience and hundreds of new and used vehicles for you to discover. Perhaps they will have 'the one!'

In addition to our dealers, are our wonderful accessory and lifestyle stalls. I ask that you support the traders here, enabling them to continue attending our events.

Shopping is of course hard work so make sure you take time to relax in the food court or in the on-site restaurant and bar.

If you're staying with us on site, we've got a superb line-up of evening entertainment (p6-7) and by popular demand I will be hosting a free bingo session upstairs in the Wessex Building above the restaurant at 2.30pm on Friday afternoon. Come along for a bit of fun.

Unfortunately, it isn't viable to run the Saturday shuttle service at this event, as Shepton Mallet sadly doesn't have many shops! However, Selwyn and Lisa have set up a superb

campsite shop offering everything you could possibly need (See p15 for location). I'm thrilled that after a fantastic Malvern show, the Focusing Events Team are joining us to offer Archery & Axe-Throwing opposite the food court this weekend.

We still have two fantastic events after this weekend to finish off our year, it would be great if you could join us. Suzi Quatro will headline our Motorhome & Campervan Show, Season Finale at Lincolnshire Showground, Lincoln from 22 – 24 September, meanwhile the Amazing Blue Brothers & Ska Madness will be top of the bill at the Malvern Caravan and Motorhome Show in Worcestershire which is 29th Sept – 1st Oct. Pop into the info office for more details about both events.

It won't be long before we start to think about launching our 2024 events, so make sure you're signed up to our e-newsletters which you can do so by heading to [www.warners-shows.co.uk](http://www.warners-shows.co.uk) – we'd hate for you to miss out.

Finally, thank you to all the contractors, marshals and staff on site who work extremely hard to ensure the show is a safe place for you to enjoy your weekend. If you can't find something or have any questions head for the info office where we will be happy to help you.

I hope you have a wonderful weekend.

## Who are the Speakers? Meet this weekends special guests

**THE URBAN MOTORHOME**

Whether you're curious about the practicalities of living on the road or simply interested in hearing a captivating story, his stories will leave you feeling inspired and informed. From the joys of freedom to the challenges of staying connected, He will provide an honest and engaging account of life on four wheels.

**WANDERING BIRD**

Previously an air traffic controller, Kat quit her job to travel. She is passionate about encouraging others to do the same so if you want to visit Europe with your motorhome or campervan, there are some essential things you need to know before you go. Join Kat as she shares the rules, as well as some tips to help you have an unforgettable road trip!

**LIFE BEYOND BRICKS**

Having owned a motorhome since 2014, Tash & Jon sold their house to live in one full time back in March 2019 (along with their three cats!). They know what is useful in a van and what you can do without, helping you save money and payload!

**SIOBHAN DANIELS**

In 2019, Siobhan Daniels took early retirement from the BBC, sold her belongings, bought a motorhome and embarked on a solo trip around Great Britain! She now passionately champions positive ageing and refuses to accept the narrow stereotypes of retired women. Siobhan will reflect on her journey and leave you feeling inspired.

**TOURING WITH KIDS**

In 2019 Ric and Keira sold their house and spent six months travelling Europe. Wanting more adventure, they left the rat race once again in 2022 for a life on the road with their 3 children and their dog in a self-converted van. Always on the lookout for outstanding landscapes, they are big fans of Scandinavia, having travelled through all 4 countries as well as reaching Nordkapp, the most northerly point of mainland Europe twice.

**MOTORHOME MATT**

Referred to as 'BBC Radio 5's motorhome consultant' on Wake up to Money 5 live, Matt Sims runs multiple award-winning businesses around motorhome hire, sales, storage and accessories. His popular podcast is a light-hearted look at the can of worms that is buying, owning, using and selling a motorhome.

**BLUEFIX ENERGY**

When the pandemic hit Mark had just started selling and supporting Victron equipment to the van life community including Luke. Luke, AKA Lukes Van Life! had done some super tidy installations and was getting noticed. Mark and Luke were working more and more together when Victron Energy got in contact and asked if they could film one of Lukes installations, it was decided that Mark and Luke would team up and BlueFix was born.

**PETER VAUGHAN**

Editor of What Motorhome & Road Test Editor of MMM (therefore all-round motorhome guru!) Whether you are a first timer or experienced motorhomer looking to make a big change, this seminar is packed full of information and help with choosing the right model for you.

**HIGHLANDS2HAMMOCKS**

Since meeting in 2013, Scottish couple Gemma and Campbell have had their hearts set on living a lifestyle that brings true happiness. Having lived in Australia, they've also travelled the world extensively. When covid hit they bought a motorhome back in Scotland, which they now live in full time 'Ellie.' They share their trips via their social media channels and have written a book for those considering touring the NC500.
