Welcome to the **Western Motorhome & Campervan Show**, we've got a fantastic weekend waiting for you with a country and western twist.

There is so much to tell you this year, let's start with the great line up of four nights of live music across three venues.

Details can be found on page 4-5. Be sure

to visit the 'new for 2023' festival marquee venue in the food court. In addition to evening shows, live music will be played in the afternoons for you to enjoy.

Whether you are an absolute beginner or a seasoned line dancer, Chays Stompers will be on hand giving tips! They will be hosting free 45-minute line dancing lessons each day at 5:15pm in the Avon Hall, no need to book, just turn up and get involved.

The exhibition area has been well supported by dealers from across the country, bringing new and used models for you to view. Which one is perfect for your next adventure? A wealth of expertise is available to you on site and 'new for 2023' we have added our popular advice centre talks to this event. See full program of speakers & topics on page 21.

You will find every conceivable gadget and product for your lifestyle on sale amongst our shopping area. Enjoy discovering and browsing the trade stands and please support the traders.

We see the return of the Lonestar Old West - Re-enactment Group, the group provide authentic living history displays, educational workshops and live action performances based around 19th century Western America, pop along and see what displays they have on. In addition to this area we have introduced archery and axe throwing as a 'new for 2023' offering, have a go and see where you end up on the scoreboard!

What is your preferred tippie? We bring you gin and whisky masterclasses courtesy of Gin Jamboree and the Old School Distillery, enthusiasts will have the choice of two light hearted and fun 2-hour masterclasses on Friday evening. More details are on page 26.

I hope you have a fantastic weekend, we are always looking to improve our shows where we can, if you've got some feedback specific to this event, keep an eye out for an email from us asking for your thoughts or pop into the information office where we will be happy to listen to your comments.

We still have three shows remaining for 2023 including a return to Malvern late this September. Make sure you are signed up to our e-newsletter, so we can keep you informed.
