WELCOME TO THE WESTERN MOTORHOME & CAMPERVAN SHOW

Whether you're here for the day or for the weekend, it gives me great pleasure to welcome you to Malvern – our **biggest show of the year**. A phenomenal selection of both vehicles for sale and accessories await you in the exhibition area, enjoy browsing! Between

them, our traders have years and years of experience in outdoor leisure, don't be afraid to ask questions, they will be happy to help. Furthermore, if you're after guidance on a certain topic, or perhaps just some inspiration, take advantage of our **free Advice Centre**, the running order of guest speakers is on p10-11. Make sure you familiarize yourself with all the entertainment this weekend, we have a superb line-up of live music, all country themed, across three stages, **free line dancing tuition, authentic living history displays, bushcraft workshops, cookery demonstrations**, as well as archery & axe throwing and coach trips to local places of interest. Further details are all within this showguide. Our on-site shop is well stocked for your convenience (see p14 for location), and all the emergency numbers or other services you may need are listed on p13. If you have any other requirements whilst on site, please visit the information office, my staff will be happy to see you. We have three events still to come this season...**Shepton Mallet** and **Lincoln** in September, before we return here to the Three Counties showground in October. You can enquire about these events and book them in the information office here on site. Thank you to all of the huge team that come together to make this weekend a success, and finally, regular visitors and new friends, I hope you have a fabulous time with us.

Sally Dodds

Head of Events, Warners Shows
Part of the Out and About Live family

Welcome to the biggest, busiest and – for many of us – the best Out & About Live show of the year! And what a beautiful location. I don't know about you, but I never miss the chance to head up into the Malvern Hills when I am in this area and delight in the amazing views.

I know I am not alone in feeling blessed to have the chance to explore the British Isles and I also know many of you extend your time here by touring the areas around Malvern either before or after the show. At a previous show in Norfolk last month, my Out & About Live colleagues and I were discussing this with some of the showgoers and discovered that several loved the idea of exploring the area but hadn't realised our website, **www.outandaboutlive.co.uk** has a **Campsite Finder** service that allows you to search for sites in a particular area. So, if you're tempted to explore the beautiful countryside around Malvern, then do give Campsite Finder a go – you might just find the perfect site for a few more days of adventure!
