

# Travel Consultants

The following readers are volunteer travel consultants, offering advice based on their own experiences. Their advice is not intended to duplicate that which can be obtained from tourist offices. **For general information contact the tourism organisation first** – addresses appear in the directory of services and supplies or online at [www.outandaboutlive.co.uk](http://www.outandaboutlive.co.uk). Details of travel consultants can also be found at [tinyurl.com/MMM-travel-consultants](http://tinyurl.com/MMM-travel-consultants)

The consultants ask that readers provide them with essential

details – type and size of motorhome, whether novices or experienced motorcaravanners, season and length of holiday, ages of any children, previous experience of travelling in the area, what type of holiday is contemplated (eg site-based or touring), type of site preferred and anything else that is relevant.

Many consultants also like feedback from readers, as it assists them in keeping up to date.

We'd be delighted to hear from other readers with a good knowledge of regions or countries not already covered.

## HOW TO CONTACT A TRAVEL CONSULTANT

- Write a letter to the consultant you think will be able to help you (specific enquiries only please).
- With your letter, don't forget to include a valid MMM token (there are two printed at the bottom of this page) and a stamped self-addressed envelope (approx 9in x 4in, unless a larger size is specified), plus extra stamps, cheque or international reply coupon(s) where requested.
- Put all this in a sealed envelope with only the consultant's name on the front **and stamp it at the**

**relevant rate** (for the UK unless otherwise indicated in the consultant's entry; letters to be sent outside the UK should be weighed to determine appropriate amount of stamps).

- Put your stamped sealed envelope, with the consultant's name on, in another envelope and send this to **MMM Editorial, Warners Group Publications, West Street, Bourne, Lincolnshire PE10 9PH**. Please allow ample time to receive a reply – MMM's consultants enjoy motorcaravanning too!
